2007 EUROPEAN STEEL DESIGN AWARDS

The European Steel Design Awards are presented every two years by the European Convention for Constructional Steelwork to acknowledge the creative and outstanding use of steel in architecture and construction. The 2007 Awards will feature winning projects from 19 European countries, which will be presented to an international audience during the Award Ceremony on 13<sup>th</sup> September 2007 in Luxembourg.

EUROPÄISCHE STAHLBAUPREISE 2007

Die Europäische Konvention für Stahlbau zeichnet alle zwei Jahre Projekte mit den Europäischen Stahlbaupreisen aus. Im Vordergrund stehen hierbei der kreative Umgang mit dem Baustoff Stahl sowie die Förderung innovativer Stahlkonstruktionen. Die Europäischen Stahlbaupreise 2007 gehen an Projekte aus insgesamt 19 Ländern. Diese werden im Rahmen einer feierlichen Preisverleihung am 13. September 2007 in Luxemburg einem internationalen Publikum vorgestellt.

PRIX EUROPÉENS DE LA CONSTRUCTION MÉTALLIQUE 2007

La Convention Européenne de la Construction Métallique décerne tous les deux ans les Prix européens de la construction métallique pour encourager l'usage créatif de l'acier et l'innovation dans l'architecture et la construction métallique. Les prix distinguant 19 pays européens seront présentés à un public international lors de la Cérémonie de remise des prix le 13 septembre 2007 à Luxembourg.
